### **Storyline**

***“Disrupted By Despair: Shifting To Support”*** is the story about Aanisah Alomar, aka the Gentle Chameleon, who is living with depression and possesses the powers of shapeshifting and premonition (sensing the future). She owns a small wellness business that is growing. However, competition is opening nearby. Aanisah recently returned to school to get a degree in nursing with a minor in business. She is overwhelmed by work, family responsibilities, and school. Having a hard time, her symptoms of depression worsen. This makes her want to hide. Aanisah randomly shapeshifts into a chameleon, which allows her to change her colors and blend into the background. She is in a work learning program for people who work full-time while also going to school. Aanisah begins to lose her drive. She stops caring about her business, misses class assignments, and is struggling at home. Her depression is getting worse and her random shapeshifting becomes a danger to everyone around her – including herself. Just when she thinks she cannot get it together, *The Dimensions* and her Work Learning Program show up. Will this be enough to help Aanisah help herself, get back on track at home, AND graduate on time?

### **About BH WELL**

The University of Kentucky College of Nursing’s Behavioral Health Wellness Environments for Living and Learning (BH WELL) research team exists to promote behavioral health and wellness among individuals facing behavioral health challenges. We live DIRECT by prioritizing Diversity, Innovation, Respect, Compassion, and Teamwork.

### **Research**

The Work Learning Program (WLP) is a coordinated response from academic and practice leaders across health professions to face the challenge of workforce shortages. It is designed to support full-time employees who wish to obtain advanced degrees in the health professions while continuing to work. Goals of the program are to advance education, enhance staff development, support research, and improve patient outcomes. The WLP has five evidence-based components: 1) space for learning, 2) smooth transition from work to work/school, 3) cohorts that create a sense of belonging, 4) program coordination, and 5) program commitment. Evidence-based workforce development programs such as the WLP are beneficial to workplaces because they can provide the support necessary for participants to be successful in both work and educational development.

AANISAH IS ABOUT TO CLOSE HER WELLNESS SHOP AFTER A LONG DAY...

Ah, the "Mindfulness" journal. One of our best sellers.

That is what I need!  
Oh! Guess what?  
I just bought my LAST set  
of nicotine patches today.  
I barely have  
cravings anymore.

You have come so far. I remember  
when we would take breaks during  
band rehearsals just so you  
could go smoke or vape\*.

Those days are behind me! Now we are  
taking breaks so you can study for exams.

Uugghh ...

Please ...

... do not remind me.

You seem exhausted. Need a ride home?

Thanks, I will be fine. It is just around the corner.

Oh, I heard your store is getting  
competition down the street.  
Is that true?

So I have heard. They are welcome.

\* Electronic Nicotine Delivery Systems (ENDS) are commonly called "vapes." However, these products contain aerosols that are harmful to health and are not water vapor.

**TIRED AND DEPRESSED, AANISAH SHAPESHIFTS INTO A CHAMELEON AS SHE TRUDGES HOME...**

**AS SHE ARRIVES HOME, AANISAH SHAPESHIFTS BACK INTO HERSELF...**

Long day? Dinner is hot!

Thanks. I will get the kids tucked in after I eat.

Omm!\*

Depression can cause tiredness or lack of energy to the point that even small tasks seem overwhelming.

**AFTER TUCKING IN HER KIDS, THE MESS IN THE KITCHEN CAUSES AANISAH TO SHAPESHIFT...**

Ugh, why bother cleaning ...

It will just get dirty again!

Why does this keep happening??!!

Experiencing depression can come with feeling sad, empty, or hopeless and having less pleasure in things that used to make you happy.

\* "Omm" is the Arabic word for "Mama".

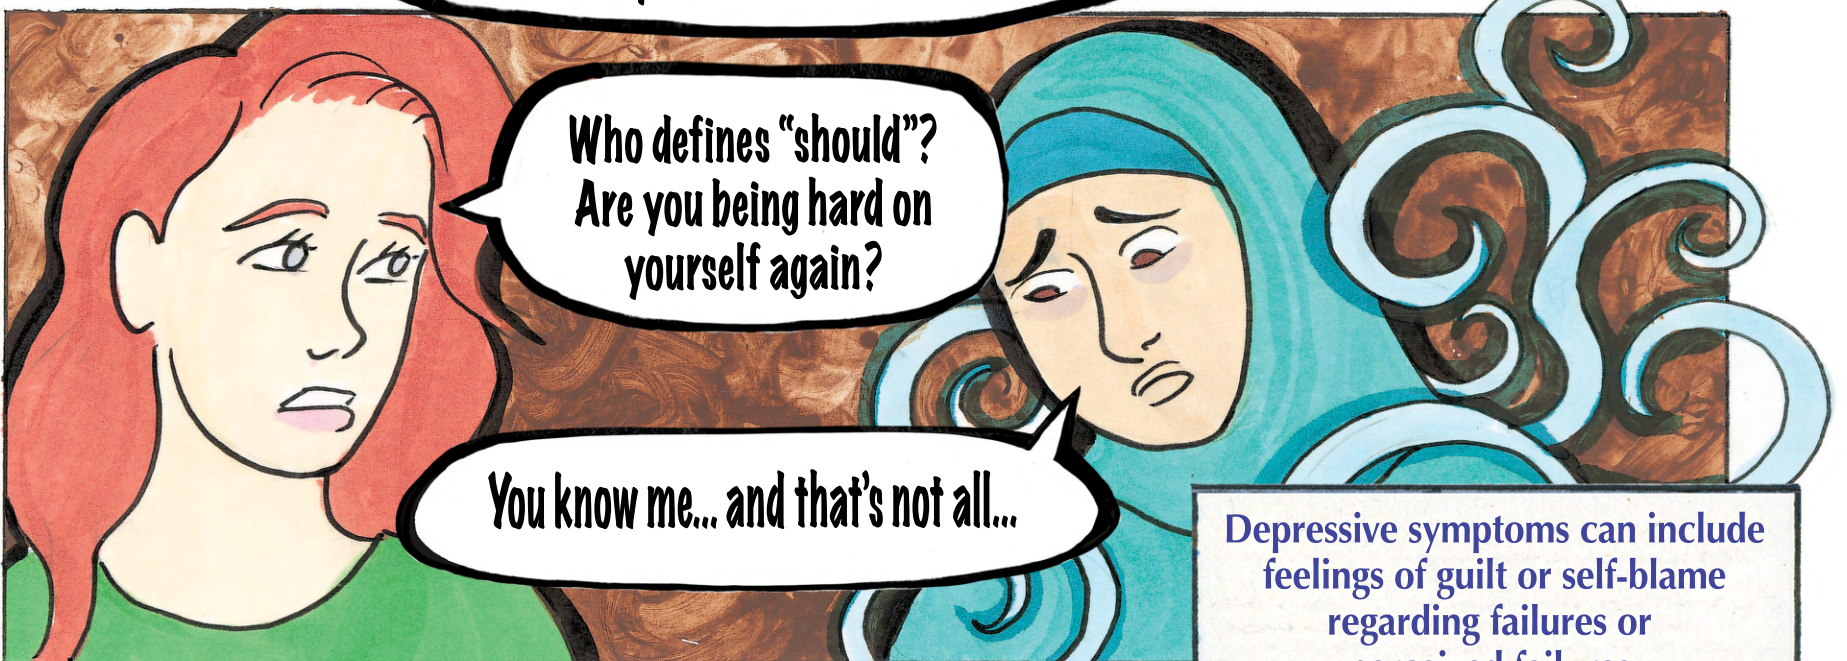

THE NEXT MORNING, AANISAH RACES TO CLASS AND IS LATE...

LATER THAT DAY, AT THE GENTLE CHAMELEON...

Depressive symptoms can include feelings of guilt or self-blame regarding failures or perceived failures.

6 \* A strong feeling that something unpleasant is about to happen.

I showed up late to class and forgot about my presentation...

I feel out of touch with my life and keep forgetting ideas and assignments.

I am SO tired.  
It feels like...

...I am  
**SINKING!**

This is worse than I thought.

I need backup!

AANISAH'S WORSENING SHAPESHIFTING BLEW THE ELECTRICITY AND BURST A PIPE CAUSING THE LIGHTS TO GO OUT AND WATER TO GO EVERYWHERE...

We need **THE DIMENSIONS** now!

Aanisah needs our help!  
**DIMENSIONS...**  
**UNITE!**

AS THE DIMENSIONS ARRIVE, AANISAH'S SHAPE-SHIFTING HAS BEGUN TO SHAKE THE ENTIRE STORE...

Ah, you are here! I was not sure how much longer I could hold on.

We got you!  
Where is Aanisah?

She is inside!

Last time I saw Aanisah, her shifting was out of control. It is like when I was craving nicotine\* and turned into Shadow Tsunami. With our support, she will get better.

You know I always come prepared. Time to try out our new heat detector tool to see if it works.

\* Read issue 1, "When Nicotine Attacks: Fight the Crave" from The Dimensions series to learn more about Eric's nicotine addiction and journey towards recovery.

AL-KNO USES HIS HEAT DETECTOR  
TO LOOK FOR AANISAH...

I see you are  
feeling rather  
down today.

I accidentally blew the electricity and burst a pipe. I have ruined  
everything. Just leave me with this mess I have made.

There is no way we are leaving you.  
We are here to help.

Let it out, Aanisah.  
Even superheroes cry.

**THE DIMENSIONS COME TOGETHER TO SUPPORT AANISAH...**

OK, Aanisah, therapy appointment scheduled!

Your medicine is ready at the pharmacy.

You are the best! I am going to start cleaning this place.

Aanisah, rest up. We will take care of the cleaning.

Remember when you helped clean my studio when I was struggling?

You are always helping others!

**NOVA JOLTS THE ELECTRICITY BACK ON TO REVEAL THE REFRESHED STORE...**

Time to help yourself!

Thanks, everyone!

I am finished hiding!

**AANISAH LEARNS TO MANAGE HER DEPRESSION  
AND MOVES TOWARD HER BEST LIFE...**

**AANISAH MEETS WITH  
HER WORK LEARNING MENTOR...**

I think having a quiet place to complete assignments will help a lot.

This space is for you! And we are convenient to your work. You can walk over anytime.

We also have peer-tutors who lead study sessions.

I think that would help. I have not been in school for several years. Sometimes I feel out of touch.

You are not alone, Aanisah. We are here to help and want you to succeed.

**A FEW MONTHS LATER...**

Thanks for shopping at  
The Gentle Chameleon!

How were things while  
I was studying?

A little busy but we got it covered!  
How was your study session?

**GREAT!** I am on track!

Omm!

It is my last semester,  
and then...

**I WILL BE READY TO  
TAKE ON THE WORLD!!!**

**... And That Is Just What She Did.**

**—THE END!**
