sokyahec.thinkific.com

Please use Google Chrome
as your internet browser
when registering.

Payments will be directed to the
Southern KY AHEC's Paypal site.

Tips:

If the computer you are trying to register on
has been previously signed into a paypal
account, paypal will attempt to make you
use that account.

PayPal will also check to see if the buyer
has used the guest checkout multiple
times. If so, they will remove the
option and require the buyer to
create a PayPal account.

*You must attend the entire presentation to receive contact hours.
(Credit will be given on a per lecture basis) A maximum of 6 hours credit will be awarded.*

Objectives

- Describe the public health impact of addiction and the response of how Kentucky and communities are dealing with it.
- Increase the understanding of how stigma and bias effects an individual and confronting and treating the harmful effects of stigma.
- Discuss the health effects of vaping and identify the risk factors that impact youth tobacco use, including mental health disparities and peer pressure.
- Discuss the response to the opioid crisis, including collaborative community engagement beyond addiction.
- Discuss the benefits of incorporating tobacco treatment in recovery for people living with mental and behavioral health challenges.
- Discuss post treatment resources available to increase the success of long-term recovery.
- Identify recovery capital components and how a recovery capital lens can be integrated into treatment programs.
