

# NORMALIZING TOBACCO TREATMENT IN MENTAL AND BEHAVIORAL HEALTH TREATMENT SETTINGS

This free workshop will discuss the importance of normalizing tobacco treatment in mental and behavioral health treatment settings. The target audience for this workshop is tobacco treatment specialists, health educators, and other health professionals. We are currently seeking approval for workshop participants to be eligible for 2 CEs through the Kentucky Board of Nursing and the Kentucky Board of Social Work.

## KEYNOTE SPEAKERS:

**Milan Khara MBChB, CCFP, Dip. ABAM**  
Certified by the American Society of Addiction Medicine, Khara's current work primarily focuses on treating tobacco use disorder but also extends into other areas of tobacco control.

**Gretchen Clark Hammond PhD, MSW, LSW, LCDCIII, TTS, CEO**  
Hammond is the founder and CEO of Mighty Crow, a professional services and evaluation firm in Columbus, Ohio. She also serves as a Community Lecturer in the College of Social Work and in the Glenn College of Public Affairs at The Ohio State University.
