

## TOBACCO, CANNABIS, AND BEHAVIORAL HEALTH: NAVIGATING POLICY, PRACTICE, AND EMERGING PRODUCTS

January 28, 2026

1:00 p.m. to 3:30 p.m. EST

Zoom

This workshop will explore the rapidly changing landscape of tobacco and cannabis use, emphasizing how evolving policies, online sales, and emerging products impact people living with mental and behavioral health challenges. Presenters will discuss trends in co-use, regulatory challenges, and implications for prevention and treatment within behavioral health settings. The target audience for this workshop is tobacco treatment specialists, behavioral health care providers, health educators, and other health professionals.
